ATTEMP TO YOUR COLDS -A case of five years' anding gord by DE HILYSER'S PROTOKAL SYRUP.

Privatigate, Jan. 11, 1860;

Da. Kevent — My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several yearsback, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of lier case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty combattle, which relieved her very much; I then called and get a dollar bottle, which cured has entirely, and he has now no trace of the former disease, except weakness. I would also allate hat I used the medicine myself to a cold and cough. The medicine cured me by taking one dose — Lexpress my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alternan Fifth Ward.

DR. KEYSER:—Although not an advocate of Patenshiele to recommend your Pectoral Syrup. As a modicine it is well worthy the attention of any person who may in any manner be afflicted with coughs; colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

'Lhave been, more or less, in my life, affected with the severest of colds and horseness. At times my throat wantle become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONES,

BY MUP.—Dr. KETARE—Dear Sir. Excuse the delay of
my acknowledging the excellence of your Pectoral Cough

all you say it is. Il knocked the noise out of my cough
and the worst one I was ever afflicted with: I have not
used more than one-half of the bottle, and I can and do
wish that all who are afflicted would give it as fair a trial
as I have done, and they will be proud to say, "It is no
quack medicine." I would not suffer another such an
attack for any consideration, or at any cost. I am condeent fean breathe more freely than I ever did. I shall

READ THE TRUTH.—DR. KTYRE I have a daughter who has taken several medicines for a had cough, without benefit—among them Ayer's Cherry Pectoral—I purchased from you a bottle of your PECTORAL STRUP, and before she had used half a bottle she was relieved. The second buttle cured her entirety of her gough.

A GREAT CURE BY DR. KEYSER'S PROTORAL A GREAT CURE BY DR. ANY SERVE PROTOKEN SYBUP.—I live in Peobles township, Allegheny county. I had a coughing and spitting, which commenced about the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH. that time I was not been and after I had taken one bottle a was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable renearly will do for others what has done in my case.

JOHN C. LITTLE,

PATTOR Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a lad cough which overy one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Peeteral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the cape more remarkable, is the extreme age of the man, he being about nightly years old. I have no denut the Pectoral sayed his life.

DR. KEYSEL'S PROTORAL SYRUP IN ELAIRS-DR. REYSEL'S PEOTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valu-tile 'Pectoral Syrup." Aimost everybody around us has the sold and are inquiring for "Dr. Keyser's Pectoral Byrup." We have sold sixteen bottles has week, and are now entirely out. Mr. A. Aiter and Mr. P. Maher, both of Bhitsville, Pa, tell us they would not be without it in their families. In fact, all who use it once want it sgain. Yours, respectfully.

ANOTHER NEW CERTIFICATE—DE. KEYSER'S PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so tad was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. "STOP THAT COUGHING."—'How can I do it?" "Go to Kayser's on Wood street and get a bottle of his Cough Pectoral, and if that don't ours you, your case must be desperate indeed." This is a specimen of the colloquy one bears almost every day in cold catching periods of the year. And we can, from setual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." In a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubdiable coughs we ever experienced since our advent apon this mundane sphere. We coughed steadily and laboriously for one whole week, in hopes of thring it out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, petency and distressibility by the operation. In this stage of the siege, we coughed our way to Keyser's, 140. Wood fit—procured a fifty cent bottle of the "Pectoral;" took it socording to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drownsville Clipper, Dec. 14, 1859.

WM A GILL Fus Remedies are carefully prepared under the direct supervision and inspection of Prof. HUMPHREYS, in order to meet that great and long realized want of the public, camers, camedies for all the more common and simple all-ments of the common and simple all-

ments of life.

A moment's redication will show that a vast majority of diseases from which we suffer and dis, were, at their commencement, simple and triding. A mere cold, a slight diarrhea, a pairs in the side, or a bendache, or hoarseness, at itst easily cured and subduct, in time becomes a consumption, a fever, a dangerous dysentery, Croup or other disease, which all the powers of medicine fall to arrest. Herein these remedies supply a great public want. Being on hand, simple, so you know at once what to take—pleasant, so as to cause no repugnance—asie, and hence pocasioning no risk, while the curative effects are positive and certain, they are taken, and at once the spell is broken and the danger allayed.

Experience has amply confirmed the use of these rame. 

the for implies and parties and convenient, the most prosect and animals are and have been using them for some five years past, in every section of the country, with almost invariable success. All speak in the highest terms of their simplicity and certainty, and among our hundreds of simplicity and certainty, and among our hundreds of sagests the uniform testimony is, that they give good satisfaction to their customers.

whick is from the Greek, signifying "for the head," is
now becoming popularized in connection with Mr. Spalding's great headashe remedy, but it will soon to used in
a more general way, and the word Cephalic will become
as common as Electrotype and many others whose distinction as foreign words has been worn away by common
usage, until they seem "native and to the manor born."

Il Pover excittment, and the mental case and anxiety incident to close attention to business or study, are among the numerous causes of Newyous Headache. The disordered state of mind and body incident to this distressing complaint, is a fatal blow to all energy and ambition. Sufferers by this disorder can always obtain speedy relief from these distressing attacks by using one of the Cechailo Pills whenever the symptoms appear.
